E-MRS 2017 SPRING MEETING

>>

**22-26 MAY 2017 | STRASBOURG,
FRANCE**

E-MRS will provide an international forum for discussing written recent advances in the field of materials science. COST will be present at the Exhibition (stand 68) to offer participants the opportunity to learn more about the programme and about COST Actions or to become acquainted with them for the first time. Further information about this participation can be requested at events@cost.eu.

COST CONNECT: WATER FOR FOOD AND AGRICULTURE IN THE MEDITERRANEAN AREA

>>

28 JUNE 2017 | COST, BRUSSELS

The event aims to increase awareness on the different relevant funding opportunities in the field and how to access them (promoting research cooperation funding programmes related to water and agriculture issues: Information on PRIMA and Calls from IPIs, ERA-NETs, H2020

from STIS, ERA-NET IS, H2020, EIT, EUREKA Agri). Participants will decide on the issues to discuss, such as emerging S&T topics in the field, identifying potential future research cooperation. The event is by invitation only.

In Brief

Major scientific publishers team up with COST Action to share data and improve peer review

Do you have an inspiring story about your COST Network or yourself to share? We are waiting for it at communications@cost.eu
